

FEATURED SPEAKER AT THE FLAGFA SPRING 2006 CONFERENCE

Bill DeRousse, Fleet Manager, City of Everett Washington and Everett Transit

Bill has been a Fleet Manager for over 37 years. He served for six years as President of the Public Fleet Managers Association covering the Northwestern States and is now the Information Officer for the Association. Bill serves as a committee chair with the Seattle Chapter of NAFA, a member of the Washington State Governor's Safety and Health Advisory Board, a trustee with the University of Washington's Engineering Division, and Technical Advisor for his local Community Environmental Response Cooperative. He also serves on several national transit and vehicle committees. Bill is a renowned public speaker in all areas of fleet management giving numerous presentations throughout the United States annually. Bill will share with you his vast fleet operations knowledge and nationally recognized best maintenance practices. His topics at our conference will be: *Fleet Bench Marks & Performance Indicators* and *Fleet Management-What Works, What Does Not*.
