

TRAINING REQUESTS FROM 2004 FLAGFA SURVEY

First Choice	Second Choice	Third Choice
Tech, trouble shooting (OBD2 computer based testing)	Brakes Light & Heavy including ABS	Hyd. Trouble shooting
Engine Performance (Gas & Diesel)	Air Conditioning Repair	Preventive Maintenance
Adminstrative	Managerial	Technical
Car & Light Truck Technical Training	Emergency Equipment Installation and Repair	none listed
Diesel Engines, 6.0 and Larger	Electric/Electronic and Scanners	Fuel Injections Systems, Gas and Diesel ABS ON CARS AND TRUCKS
A/C Repair	Electrical Systems	ABS Brakes
Electrical	Drivability	none listed
Heavy Truck Fuel Management Diagnostics	ABS Brakes	Fuel Injection - Automobiles
Electrical Diagnostics	Diesel Engine Repair/Diagnostics	Hydraulic/Electrical Diagnostics
Driveability	Electrical Schematics	Electronic Diesel Diagnostics
Electronic Diagnostics	Hydraulic Systems	Electrical Diagnostics
Maintenance Scheduling & Reviews	Hybrid Fuel Programs	none listed
Police/EmergencyVehicle Lighting/Electronics Training	Ford Factory Training	General Motors Factory Training
EVT - Police	EVT _Fire	none listed
Advanced Hydraulic Systems	(no answer)	(no answer)
Managing Tire Costs	Life Cycle Costing for Equipment	(no answer)
Advanced Electrical Troubleshooting	Advanced Hydraulic Troubleshooting	Drivability
Advanced Electrical	Practical Hydraulics	OBD III
administrative information	inovative information	brainstorming
Electrical Systems	Hydraulic Systems	Brake Systems
EVT - Police	EVT- Fire	(no answer)
Driveability Courses	Advanced Heavy Duty Electrical Diesel Diagnostics	Electrical Diagnostics courses
Managerial Courses that pertain in Fleet Management	Not Applicable	Not Applicable
Advanced Electrical	Practical Hydraulics	OBD III
BEST MANAGEMENT PRACTICES	MANUFACTURE SPONSORED TECHNICAL COURSES	(no answer)
CERTIFIED FLEET MANAGER PROGRAM	(no answer)	(no answer)
Ford Motor Training	(no answer)	(no answer)
Electrical Troubleshooting	ASE Certification	Emergecy Vehicle Training

FORD CROWN VICTORIA DRIVER ABILITY & DIAGNOSTICS, AUTOMOTIVE DRIVABILITY/DIAGNOSTICS	GM LIGHT & MEDIUM DUTY DRIVABILITY & DIAGNOSTICS, AERIAL & MOBILE HYDRAULIC SYSTEMS TROUBLESHOOTING	FLUID POWER SOCIETY HYDRAULICS CERTIFICATION, ANTI-LOCK BRAKES & ELECTRICAL SYSTEMS DIAGNOSTICS
driveability diagnostics	welding and fabrication	basic body repair
Fleet Director/Manager Certification	Any courses dealing with fleet budgeting or capital replacement funding.	(no answer)
Electronics	Electronics	Electronics
Electronic Diagnostics	Mobile Hydraulic	(no answer)
INTERNATIONAL ENGINE ELECTRONICS	EALLISON 2000 SERIES TRANSMISSION DIAGNOSTICS & PROGRAMMING	ALLISON WORLD SERIES TRANSMISSION DIAGNOSTICS & PROGRAMMING
Fire Equipment Certification	(no answer)	(no answer)
Electrical	Hydraulics	Emergency Equipment
Hybrid Electric Maintenance	(no answer)	(no answer)
Construction equipment training	Electrical system training	Risk management training
Electrical (basic & advanced)	Drivability Trouble shooting	Diesel Engine Trouble Shooting.
BENCHMARKING	VEHICLE REPLACEMENT PROGRAMS	
FORD DIESEL TRAINING DIAGNOSIS	GM DIESEL TRAINING AND DIAGNOSIS	DETROIT DIESEL TRAINING
ELECTRICAL	HYDRAULIC	NOT ANSWERED
ELECTRICAL	HYDRAULIC	NOT ANSWERED
AIR CONDITIONING	NETWORKING & BODY CONTROLS	HYDRAULICS
DIAGNOSTICS	HYDRAULICS	DIESEL ENGINE
